INTERFACE CONCEPT · ILLUSTRATIVE DATA

WHAT THEY HID

When sources disagree, you see it.

Findings

MARKS ON THE CANVAS

Two registries disagree on who owns Holding B since 2024

The offshore registry names a nominee service.⁴ A 2024 shareholder list names a person.⁷

contradiction

Chase

One phone line in 37 job ads

The same number appears in 37 listings that route applicants to one flagged destination.¹²

convergence

No lease on file

Fourteen companies use 00/0 Soi 00; none has a lease on file.⁹

VERIFICATION · THIS INVESTIGATION

Chain intact

Every step is signed and chained. Bitcoin anchoring is off while the investigation is private; it turns on when you share or publish it.

IN THE STREET · BANGKOK PILOT

Look at a building.
Know who is behind
it.

Glasses read the sign, a drone checks the
address, every photo is signed with place and
time.
